## TIMEY BITS OF SPORT

Contributions Coming in for Big Olympic Celebration.

## SHARKEY TO "COME BACK"

Former Prizefighter Wants Chance to Meet Tommy Burns in Squared Circle.

Victor F. Ridder, treasurer of the reception committee appointed by Mayor Gaynor to represent the citizens of New York at the official welcome home of the American Olympic athletes, yesterday announced that contributions amounting to \$250 had been received toward defraying expenses of the celebration.

The Mayor had added to the membership of the reception committee the Rev. Mallick J. Fitzpatrick, rector of the Mission of the Immaculate Virgin for Homeless and Destitute Children. Father Fitzpatrick takes a lively interest in athletics as a matter of interest to the little fellows as their charge.

The National Olympic Committee, of which President Taft is the honorary head, will take care of Olympic athletes now in New York and those arriving from now on, until the night of August 23, when the reception committee appointed by the Mayor and the plan and scope committee appointed by the Metropolitan Association of Athletic Clubs will open the welcome home reception with a theatre party. Mr. Fleischmann, proprietor of Fleischmann's Baths, has offered to entertain all of the athletes over night at the baths, on either August 23 or 25.

The glitter of \$30,000 purses is proving irresistible. Tom Sharkey now wants to join the big company of "come backs." He thinks at least that he can beat Tommy Burns, who has challenged Jack Johnson. Here is what Sharkey says:

"Having read an article in a number of papers, which leads me to believe that Tommy Burns, who fought Jack Johnson in Australia, is seeking a return match with the black champion, I would be pleased to have the sporting public made aware of the fact that I am ready to arrange a match with Burns, under any fair conditions the latter may name. Burns never fought Jeffries for the title he assumed, as he was never looked upon as a likely opponent for the big fellow when the latter was the real champion of all champions, while my record shows that I fought him twenty-five of the hardest rounds he ever engaged in, at the 'Coney Island Sporting Club.' The decision given against me by George Siler, the referee, and announced by Johnny Dunn, as the latter's ruling on points scored by Jeffries, was far from being a popular verdict. I should have been in a draw, having forced the pace from start to finish, with the moving pictures taken of the fight proved, I now feel assured that if I take a course in strict training I can re-fight the ring and defeat Burns, who was about the size and weight at which I fought Jim Jeffries."

"I expect to sign papers shortly that will close arrangements for a ten-round bout with Joe Jeannette, in New York City," said Jack Johnson, yesterday. "I have decided to fight this battle for the sake of my wife only."

Johnson weighs 247 pounds, just three pounds less than when he started to train for his fight with Jim Flynn at Las Vegas.

The Cleveland Naps have released Paddy Livingston, a catcher, to Toledo of the American Association.

Cy Barger, the Brooklyn pitcher, was released yesterday to the Newark Indians.

Miller, second baseman of the Lowell Club, of the New England Baseball League, was sold yesterday to the St. Louis Browns for \$2,000. Miller will report at the close of the New England League season.

At the request of the Maryland United Hunt, the Harvard Agricultural and Forest Association of Havre de Grace, Md., has moved up its meeting to open on August 24 instead of August 20. This action has been approved by the stewards of the Jockey Club.

The American Athletic Union 440 and 550 yard swimming championships and the diving championship have been awarded to the New York A. C., for August 21 and September 14.

Two teams of stars from New York and Philadelphia will compete in a 50-mile race at the Stadium Motordrome at Brighton Beach to-morrow night. This will be the second inter-city duel that has been staged at the Brighton Beach course since the arrival of the New York team there.

At a consultation between James E. Sullivan, chairman of the championship committee of the Amateur Athletic Union, and P. J. Conway, president of the Irish-American Athletic Club, it was decided to recommend to the committee that the all-around championships of the Amateur Athletic Union go to the Irish-American Athletic Club, which club has agreed to pay all expenses and hold the feature at Celtic Park on Labor Day, in connection with the carnival of sports on that day.

Miss Adeline Trapp, the only woman who has negotiated the difficult swim through Hell Gate, has entered the five-mile swim from Rockaway Point to Brighton Beach, to be held next Saturday.

The Yankees have returned Maloney, the outfielder, to Brockton, of the New England League, and have purchased Fred Smith, an outfielder, from the same club. Smith will report at once.

There will be no lack of action in the bouts at the St. Nicholas Athletic Club to-night. Three ten-round contests will be conducted. In the main bout "Gunboat" Smith will face "Forky" Smith. The other bouts will be between Frank Pinto and Willie Beecher and "Young" McCarty and Joe Stein.

"Knockout" Brown is out of the hospital, fully recovered, and says it will not be long until he is right back at the head of the list, willing and ready to fight the best men in his class. Brown believes that the long rest he was forced to take will do him good, for he thinks that too much work was the cause of his recent lapse from form.

Alf Delmont, one of the best featherweights in the East or elsewhere, is in New York looking for bouts. Johnny Dundee, Patsy Kline or any of the best featherweights in the country are included in the list of challenges. Up to date all the featherweights have pleaded all sorts

# Patricia Wins Again in Race for the Great Lakes Trophy

Beats Michigan by a Narrow Margin—The Kitty Hawk Catches Fire and Sinks.

Chicago, Aug. 13.—The Canadian sloop Patricia won by nine seconds to-day's race in the series of five being contested with the American yacht Michigan for the sailing championship of the Great Lakes. To-day's victory is the second for the Canadian. The American boat has one victory to its credit.

Only a third of a boat's length separated the contestants at the finish of to-day's race. The official elapsed time for the winner was 2:33:05 for eighteen miles. During the fifteen mile race for 24-foot motor boats, which was won in 24:35 by the Chicago, owned by E. J. Richards, of Chicago, the Kitty Hawk, owned by R. H. Tinkin, of Detroit, caught fire, and sank about a mile and a half from shore. She was the second motor boat to sink during the carnival. The Baby Reliance sank yesterday. Freeman Monroe, driver, and

## WINS RACE IN STRAIGHT HEATS AND SETS NEW MARK.

DOLLY S. A WINNER, TOO

Defeats Ramey Constantine and Raffles After Struggle at Monroe Driving Park.

Nowaday Girl, a bay filly from the Oakhurst Farm, covered herself with glory at the opening of the light harness meeting of the Monroe Driving Park Association yesterday, and incidentally hung up another world's record for the half-mile track. Nowaday Girl is by MacDougal-Nowaday, and she is a little wonder. She started in the two-year-old trot and defeated a field of twelve, trotting the second mile in 2:16, three seconds faster than any other baby trotter had ever covered a two-lap track. The second heat was a two-horse race, with Nathan Axworthy, a bay colt by Axworthy, and Nowaday Girl almost neck and neck. Nathan went up in the air at an inopportune time and the Girl claimed the race in straight heats.

Opinions as to the favorite in the 2:12 trotting races were diverse, with The Preacher, Raffles and Dolly S. well backed. Dolly S. and Ramey Constantine were bunched in the first heat when the horses passed the judges' stand in the first lap. Ramey broke, however, and Raffles, true to his name, stole a march and captured second honors. The race was between Ramey and Raffles in the next heat, but Dolly S. reached her stride right at the finish and nosed Raffles out. Dolly employed some winning tactics in the next heat. She waited until no one was looking and then stole the pole and won by three lengths, apparently as fresh as when she started.

Poor Rhine Maiden met her Waterloo in the 2:20 trotting class. She won the first heat as was predicted in 2:12, but after that she was nowhere and was finally distanced in the fourth heat. Al Penick drove the winner, which was Victorio, a good bay mare by Mr. Adams-Petrola, from the Cranwood Farm, Cleveland. It was easy to distinguish the black saddle coat and cap with the red top of the driver's outfit. The spectators watched his wearer ride in front in the last three heats of the race. Nat King, who drove Victorio, finished second. The summaries follow:
